# The Passing Parade

Bloom is not only a school where we come to concentrate on books; it is also a crossroads where we meet new friends and enjoy recreational and educational opportunities together. Dances, football games, and assemblies are all components of the panorama of our school life.

Bob Zimmerman, Bob Novoryta, Barbara Boyd, Dixie Graham and Denny Thomason gossip their way through a meeting of the bus-catcher's club.

# *Old Stuff for Seniors*
# *Confusion for Freshmen*

As September 8 rolled around, we entered Bloom for the first day of classes, some of us for the first time, many for the last. It was fun seeing our old friends again, talking over summer activities, and, best of all, watching the poor wandering freshman look for his lost homeroom. After school we got together to find out who had whom in what class and to discuss the prospects of an "A" in English IV. Naturally, there were mixups about classes, and we were rather peeved at being put in general math instead of advanced algebra b. However, it wasn't long before we got used to our schedules and chem became an everyday occurrence.

There wasn't any rest for the weary, though, and work started right away on the annual. As photographers roamed the halls eagerly snapping every and anything in sight, pictures poured into 311, and the staff knuckled down to the job of getting them cropped and off to the engraver. With early deadlines staring us in the face, we really put on the steam to meet them.

While the annual staff went busily about its business, the rest of the school hummed with activity. Papers, books, and magazines that had been piling up for weeks soon transformed our lockers into Fibber McGee's closets.

Our football team did O.K. this year, finishing second behind Thornton. As the basketball squad piled up win after win, the kids turned out to cheer at the pep assemblies. The team put on a clever kiddies' show for us on November 18. Dr. Metcalf was really the cut-up as he pushed Mr. Love around the gym in a baby buggy.

## The Inside Story

"Goo Goo" Love and "Snooktums" Metcalf show off their new perambulator.

Before we realized it, the first six weeks had slipped by, and it was time for report cards. A lot of us were disappointed when we discovered the value set on our weeks of labor, but of course we could always improve next period. We had a variety of courses to choose from, with subjects to suit every taste. Crafts was the class for those who liked to work with their hands. It seemed that we spent half of our time in American History memorizing dates, 1776, 1803, etc., into infinity.

A very popular class was speech. Perhaps the reason was that everyone did a lot of talking in mastering the art of public speaking. In English IV, Chaucer and Shakespeare became familiar figures, and a lot of notes were taken on panel discussions. Although advanced algebra usually attracted boys, once in a while a female would pop up. Then, even the teacher got mixed up.

# The Music Makers

The biggest blow in Bloom.

Mr. Hippensteel shows 'em how.

For boys who are planning to go directly into industrial work after graduation, Bloom offers numerous vocational shop courses. These classes are three hours in length and allow plenty of time for developing special skills. One hour courses also are offered to those who want to try their hand at electricity, metal-work, or wood-work.

This year a lot of us got our first experience working with tools in these shops. Our first attempt at soldering often ended with a pound of solder holding one joint.

For the more musically inclined, there were glee clubs, choirs, the orchestra, and band. The girls seemed to have a monopoly on singing. There were three feminine vocal groups compared to one for the boys.

Everyone in a choral group had his eye on a place in the a cappella choir. Since seniors held down most of the positions, the underclassmen eagerly awaited graduation.

A good place for us to let off some steam was in band. After an hour of blowing air through a horn, we were really ready to go home.

# Science on the March

About mid-year, the halls were filled with fragrant odors issuing from 109. Inside this mysterious room eminent scientists were making world-shaking discoveries—and gases that would put a skunk to shame.

Not far from the chem lab, Mr. Dale Lawton's future physicists were busily engaged in experimenting with everything from light to electricity.

A wildcat at bay.

Football always plays a big role in a Bloomite's life, especially the biggest game of the year against Thornton. This friendly rivalry of 43 years arouses more enthusiasm in school than any other athletic event, and the corridors were buzzing with the voices of sages prophesying the outcome of the coming duel.

The night before the game, the kids gathered at Old Bloom to join in the snake dance. Any excess energy that was floating around was put to good use as the kids scurried through the streets of Chicago Heights at risk of life and limb.

After an hour of pulling, pushing, stumbling, and falling, the crowd turned towards the football field, where the annual cremation of a Wildcat was taking place. As the fire burned itself out, we turned homeward, patiently awaiting the game that was to see our Trojans upset 37-7.

## *Fun Before the Fall*

# Recreation a la Bloom

Whether our team won or lost, the fans always had a treat in store during the half. Led by the majorettes and flag carriers, the marching band entertained the folks with snappy music and fancy baton twirling. As our musicians played their school song, the visiting team got a big hello from the hometown spectators. On special occasions some group would put on a special show, as when the Spanish Club presented a bull fight on the 50-yard-line.

After the final gun had sounded, a lot of us found our way to the Morgue, where we could dance and joke away the rest of the evening.

The liveliest bodies in any morgue!

# Contrasting Opinions

Nick Ranieri and Jo Muzzo, busy as beavers.

After the excitement of the big game was over, classes progressed as usual. We found plenty of diversions to occupy our minds outside of class. The projectionists had an easy life presenting films to the student body, though once in a while they had a little trouble extricating themselves from their work.

Some days passed very slowly, and it was difficult to concentrate on anything, but we usually managed to live through the ordeal.

# Election Time

As the year was drawing to a close, the politicians of the student body got busy working on their platforms for the coming elections. At stake were the mayoralty and the four commissioners' posts. The maintenance staff dreaded the campaigning period, when the halls were filled with signs and handbills of every size and description.

The climax of all this activity was election day, when the electors gathered in the gym to hear the office-seekers give their speeches. After all the qualifications had been given and the promises made, we found our way back to homeroom, where the ballots were cast for the future officials of the city of Bloom.

# Southern Fantasy

The biggest social event of the year was the Prom. All of the juniors and seniors looked forward to this grand occasion with expectations of a wonderful evening. It was the only away-from-school dance of the year, which gave it added appeal.

The girls scurried around trying to find the best formal possible, while the boys had visions of their first outing in a tuxedo.

Finally the big night came, and we anxiously journeyed to Cherry Hills Country Club to take in all of the thrills and joys of the Prom. As the evening drew to a close, it was climaxed by the grand march and the crowning of Jeri LaMorticella as queen.

# Mothers' Holiday

Piggy banks and pink clouds adorned each table at the annual Mother-Daughter Banquet on February 24. Girls League President Dorothy Koehn, opened the formal program with a welcome to the girls and their mothers, following which Carmen Stanley, Bessie Rice, and Marilyn Raney entertained the group with an original radio skit.

Dr. Harold Metcalf ably served as the speaker for the evening, pointing out that, after all, the senior girls were well worth all the trouble and anxiety that they had caused their parents.

The evening was concluded with an endowment from Dr. Metcalf to each and every girl: "I know that you will all receive the best of everything, and the good happiness of life, and, most important, you will find that ideal man whom you are seeking!"

A helping hand.

The class assemblies were always a source of good entertainment. We were never sure of what we would see parading across the gym floor when the students put on a show.

The seniors gave us a view of the future which involved everything from a visit by men from Mars to the tracking down of a vicious dog-napper by the eminent detectives, Tom Kees and Bruce Motlong.

"Twas the night before Christmas" was the theme of the junior class assembly. Frosty, the Snowman, was there with a group of his young friends, and Rudolph the Red Nosed Reindeer led Santa safely over the rooftops.

The sophs gave us a quick review of the life of Marilyn Carlisle, that included everything from a personified bromo seltzer to a Keystone Cops comedy.

# "Annie Get Your Gun"

Miss Leitha Paulsen's room was a scene of great activity as the seniors turned out en masse to try out for the senior class play, "Annie Get Your Gun." After the actors and actresses were chosen, the air was filled with screams and war whoops as practice started in earnest.

About four days before the opening, the costumes came, and the future graduates were transformed from twentieth century students to nineteenth century show people. At last opening night arrived, and "Annie Get Your Gun" was launched a hit, a success that was enjoyed throughout the three-day run.

Yeah, you got eyes!

You ain't holdin' no shootin' match on my lawn!

Carmella Mark, Pete Halbert, Louise Sinopoli, and Jeri LaMorticella lead the seniors on their last lap at Bloom.

# Grand Finale

After the hustle-bustle of "Annie Get Your Gun", the seniors memorized their last lines of poetry, broke the last test tube, and settled down to the job of getting nervous about graduation.

Everyone thought the year would never end, but at second glance, four years had raced by and it was time for the grand finale. A lot of time was spent reminiscing. Class assemblies, the prom, elections; it was hard to realize that they were already two or three years of history.

The final day came, however, whether we liked it or not, and with a little tightness inside, we silently accepted our diplomas, the receipts for four years of fun and happiness.

The long awaited moment.

Our powerful Trojans, with a well-balanced squad, continued the upward surge of Bloom football, with a five-three record. In league play we were victors in three and losers in two games. The Evanston Wildkits, in the season's opener with breaks playing an important part, eked out a 13-0 win. Coming from behind, we beat East Aurora in our next game, 19-6.

The Trojans whipped our next two foes, Parker and Cal City, handily, 38-6 and 27-6. Then the roof fell in on our boys with Thornton trouncing us 33-6, and Argo 28-13. The Trojans came back powerfully to subdue Blue Island 33-7. In our final tilt, Leyden was smeared 38-6, with Bill Dewey scoring 30 points.

Juniors who received a varsity letter for their efforts are Bill Bodman, Jim Edwards, Vince Larvick, Don Lawnicki, Dan Martinez, Ed Haney, and Ralph Marchio.

Though our Little Trojans got off to an unimpressive start, they completed the season with a 3-5 record and a fourth place conference finish. Coach Frank Buchtel's boys opened the campaign with a 24-0 loss to Evanston, followed by a 38-0 drubbing by East Aurora.

Awakening from this slump, the underclassmen whitewashed Parker 18-0 and Thornton Fractional 27-0. Thornton squeezed by 6-0, but the Trojans balanced the budget by whipping Argo 20-13. We dropped the final two games to Blue Island 13-0, and Leyden 27-20.

Well, we didn't win all our games. As a matter of fact, we won only one. When we were bad, we were terrible, and when we were good, we were great. We started off in low gear, losing to Proviso 39-7, Cal City, 19-6 and Thornton, 19-0. Low gear! We were in reverse!

We played our best game against undefeated Oak Park, winning 13-12. Our next three were close ones. We tied Blue Island 7-7, lost to Kankakee 12-6, and Leyden 7-6.

Nor snow, nor sleet, nor dark of night could stay these loyal harriers from the completion of their course. Coach Ralph Steben's two-milers were undefeated in eight meets, copping their Marseilles District title and placing 11th in state competition at Urbana.

Among our greatest accomplishments was a 23-33 victory over LaGrange, which snapped a LaGrange record of 33 consecutive dual meet victories and marked the first time that we have defeated the Lions in a cross country meet.

Bill Dewey comes down with an extra pair of arms as he clears the boards in the Bradley game.

Dave "Squeaky" Marr led the squad with 221 markers, which was good for third place in conference scoring. Ernie Modzelewski developed his flip jump-shot and was ranked seventh in the league with 166 league tallies. Playmaker Bob O'Connell's deadly set shots from way out turned the tide in crucial moments. Frank Nardi took to the full court press like a duck takes to water, and his cat-like defensive ability helped make the "demon press" effective. Bill Dewey's aggressive rebounding was a determining factor in several tight contests.

Up from last year's championship Frosh-Soph cage squad were Bill Bodman and Morris Cortez. When the seniors weren't up to par, Bodman's rugged rebounding and Cortez's stacatto dribbling sparked the team.

This year marked the sixth season of Coach Dale Love's pattern style of basketball. Although there was not a regular over 6'2", this year's Trojans won more games (21) and scored more points (1552) than any other team in Bloom's history.

In notching a 21-5 record, the Trojans recorded a .383 shooting percentage, highest in recent years, against their opponents' .326 mark. To compensate for the lack of height, Coach Love employed a very effective full court press. We racked up a nine-game winning streak before losing to Hillsboro in overtime at the Pontiac tourney finals.

The Trojans entered the first Thornton contest with a four game winning streak. For three quarters we dominated the game, but with an an amazing last stanza surge the Wildcats copped the tussle.

We came back the long road, winning seven straight and entering the title-deciding Thornton contest tied for first. We lost, 59-50, but this never-say-die squad defeated Blue Island in the Regional. Here we also inaugurated our rivalry with Rich Township, losing 73-64.

# The Mooremen

Our Frosh-Soph quintet started out with a bang, collapsed mid-way through the campaign, and then regained its stride at the season's termination. Their 8-6 conference mark entitled them to fourth place, though they boasted a 13-7 overall record. By scoring 31 points in the Joliet tilt, Bobby Bell set a new Bloom scoring record. Bell was also the high scorer with 313 tallies. Grady McCollum was second with 232 points, and Freddy Evans was third with 107 markers.

At the beginning of the season Howie Johnson spent most of his waking moments on the bench, but found himself near the year's end and gained a berth on the starting five. McCollum also was inexperienced at the start, but as the season progressed, he acquired poise and turned into a persistent scorer and a reliable rebounder.

Freddy Evans's deadly set shots and playmaking ability stabilized the squad. Others who saw considerable action were Captain Tony Kavolis, Steve Stritar, and Bob Green.

# "Midget Mikans"

This year Coach George Gilluly's call for freshman basketball candidates was enthusiastically answered by a swarm of hopeful hoopsters. Out of these "Midget Mikans," Coach Gilluly molded a spirited squad.

Our Tiniest Trojans got off on the wrong foot. We played our season's opener with only two weeks of practice and won but two of our first eight games.

In the course of seasonal play we dropped a two-game series to Thornton 39-33, 40-21, and Joliet 45-35, 44-25. We split out two-game series with Blue Island, losing our first match 58-53, and winning the second game in a 44-42 thriller.

Though losing one tight tussle with Cal City 36-34, in the rematch we overwhelmed them 47-31. We played both of the Kankakee high schools, losing to West, 36-30, and massacring the East side quintet, 71-28. The Glenwood Junior Varsity squad succumbed twice, 40-25, and 54-25.

No individuals emerged as stars, but the high scorer was Gerald Colangelo with 116 points. He was supported by Alfred Fry with 76 markers, Alex Jankowsky with 53, and Don Lauer with 52.

Bruce "Skipalong" Motlong trims the timbers. Other mainstays were Ron Schilling, Al Persiani, and Bill Cooney.

Highlighting their season by winning the Naperville Relays for the third straight year, the thinclads also copped three dual meets, placed second three times, and finished eighth in the mammoth Oak Park Relays.

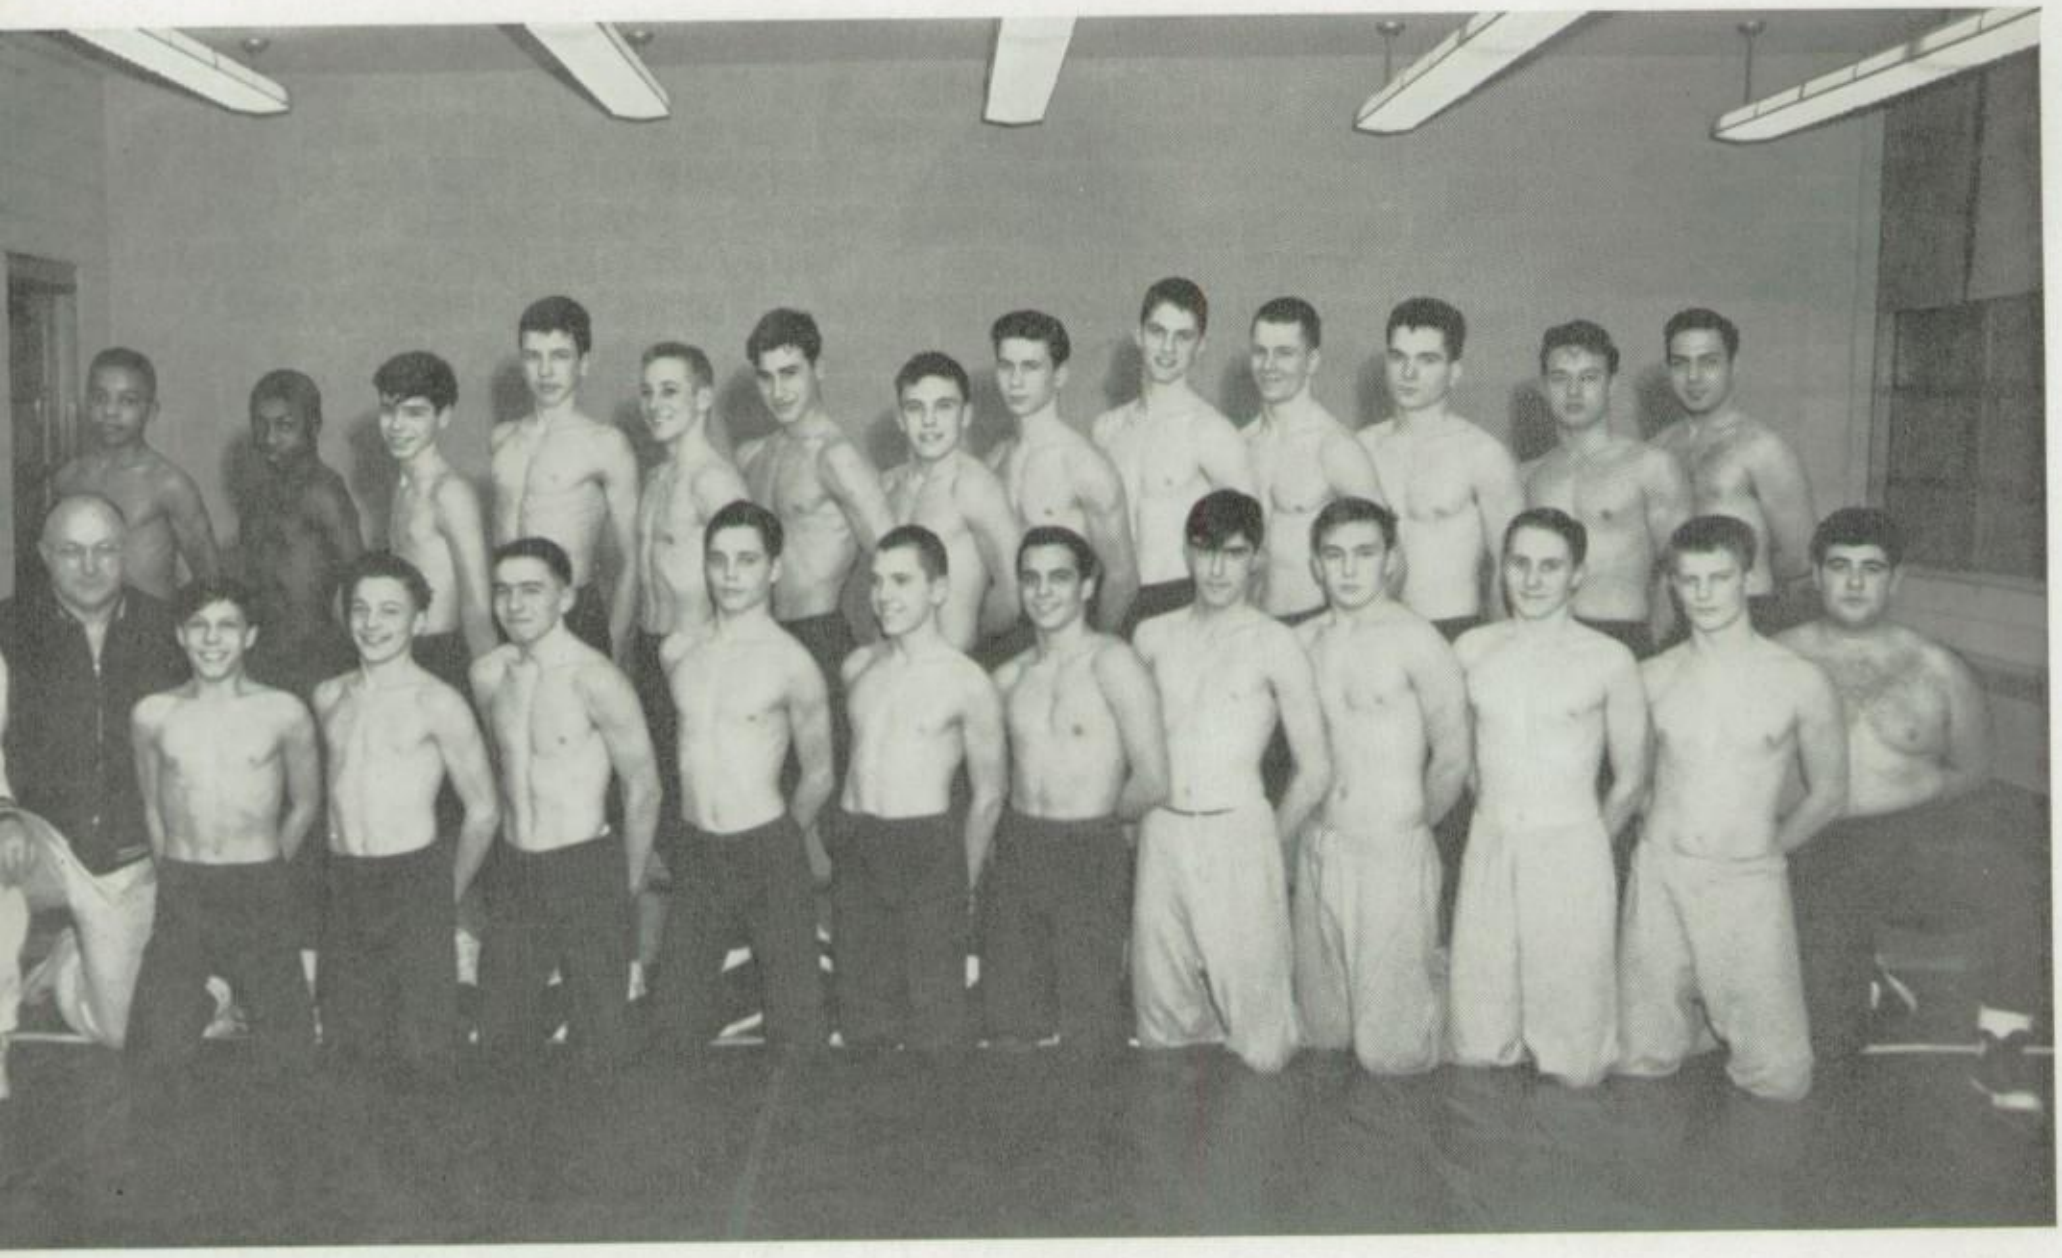
Our 1954 grapplers, under Coach Cecil Sarff, completed the season with one win in eight contests. Though Calumet of Chicago was our only victim, over half of our matches were dropped by less than four points. This unbalanced squad finished last in the conference but placed sixth in a field of nine in sectional competition. Six matmen copped points in the league championship, while three of the "grunt and groaners" emerged with points in the sectional.



*Front Row:* Coach Sarff, P. Resedean, E. Maxwell, W. Smith, C. Mustard, H. Pomrehn, E. Saviano, R. LaMorticella, H. Junge, D. Harrelson, W. Gaskill, J. Robustelli. *Back Row:* C. Reeves, R. This year Coach Sarff had a gigantic aggregation of three returning lettermen, none of these in the heavyweight divisions. Consistent winners were Carl Reeves 95, Rudolph Jones 103, and Captain Chuck O'Neal, who at 154 took firsts in both the league and sectional contests.

Other "Black and Blue" mat men who brought recognition to the "Blue and White" were: Richard Hancock, Richard Conant, Don Federoff, Virgil Passarelli, Mickey Sundstrom, Tony Jendrasek, John Lindley, Tom O'Rourke, Joe Robustelli and Bob Barackman.

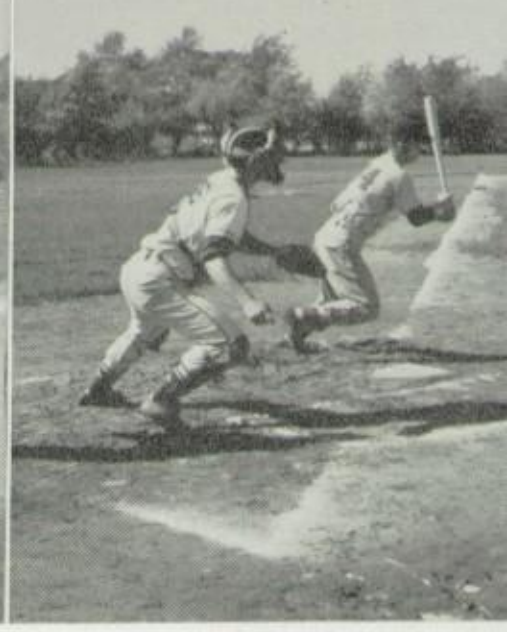
# The Spiked Nine

Though this year's baseball season is still young, and it's hard to tell just what our Trojans will do, hopes are high that we will be able to fashion a winning season. In our first contest Frank Nardi's timely double with the bags loaded pulled out a 6-3 victory. In our second tilt of the season the Joliet Steelmen staved off another last-inning rally to win, 5-4.



In our third contest Bloom batsmen struck out over a dozen times and committed numerous errors as we succumbed to Wayne Putnam's three-hit pitching for the Kays, 10-0.

Then we went from the ridiculous to the sublime, massacring Argo, 15-2, behind the steady hurling of Ron Shaper. Two bases-loaded doubles by Bob Craig, a triple by Morris Cortez and two safeties by Tom Demith paced the Trojan attack.

*Front Row:* T. Demith, M. Cortez, R. Craig, J. Fushi, R. Lucas, J. Zawada, T. Calpino, K. Peters. *Back Row:* Coach Feldvebel, R. O'Connell, W. Dewey, R. Shaper, W. Bodman, J. Hlavach, D. Prisco, D. Perozzi, F. Nardi, J. Ward, Coach Moore.

The 1953 baseball squad, tutored by Coaches Bert Moore and Alex Feldvebel, had a 9-11 seasonal record and placed fourth in the South Suburban League. We defeated Thornton, 7-5, to cop the District championship, but lost to Proviso in the Sectional playoffs, 6-0.

John Hlavach was the outstanding hurler with a 7-4 record, and Tony Gatch was the leading slugger with a .280 average. Eight lettermen returned from the '52 squad to form the nucleus of the team. The rest was composed of untried juniors and seniors. Although Coach Moore gave out nineteen letters, only four lettermen, Hlavach, Bill Dewey, Bob O'Connell, and Ron Shaper, returned to the '54 squad.

This year's squad is composed mainly of seniors who saw little action last year and juniors up from last year's Frosh-Soph team. Hurlers are Hlavach, Shaper, and Ken Peters, while Morris Cortez is the receiver. Infielders are Don Perozzi, Bob Craig, "Buba" Zawada, and Frank Nardi. Outfielders are: Dewey, O'Connell, Jim Ward, and Ernie Modzelewski.

# The Bantam Bloomites

This squad fashioned an even-Stephen season under the whips of Coach Arthur Mittman and assistant Coach Ralph Schmidt. Our 4-4 record in league competition earned us a tie for third place, while two wins over Rich Township gave our "syncopated sluggers" an overall record of six conquests and four disappointments.

During seasonal play our "Bantam Bloomites" tangled twice with each team. We swept the two-game series with Lockport, massacring the Porters 17-2 behind Ken Peters and, later, 2-0, with Freshman Howie Johnson emerging victorious. Howie also defeated the Cardinals of Blue Island twice, 3-0 and 3-2. We dropped a pair to Leyden and succumbed twice to Thornton's last-inning rallies. Our mound corps was composed of dependable Howie Johnson (3-2), Ken Peters (2-1) and Jerry "Buba" Zawada (1-1).

The infield regulars were: Don Perozzi, Bob Craig, Morris Cortez, John Fushi, Jerry Jonas, and Tom Harrington. The outfield pastures were patrolled by Don Prisco, Jim Ward, Nick Iacovetti, Tom Demith, and Artie Lang.

*Front Row:* T. Demith, D. Prisco, G. Harris, J. Flagda, N. Iacovetti, A. Lang, J. Fushi, J. Jonas, T. Hodgson, J. Stabile. *Second Row:* M. Kirkendall, A. Sundstrom, B. Craig, M. Cortez, J. # Syncopated Cindermen

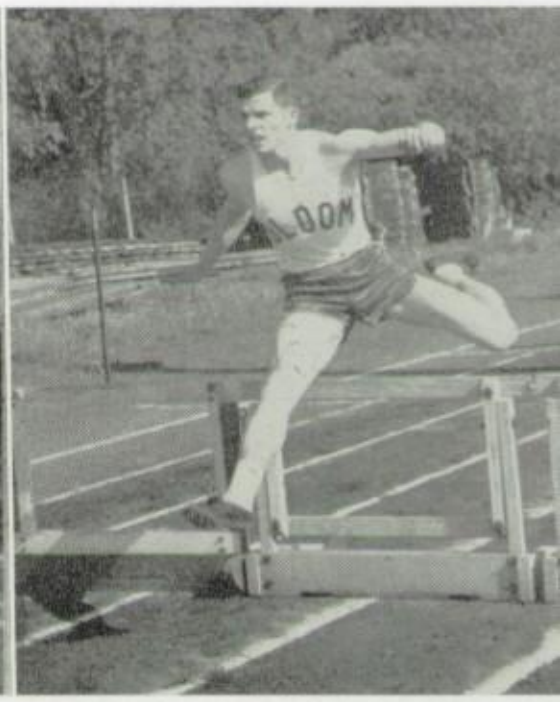
This year the Trojan track squad has "nothing sensational," according to Coach Ralph Steben, although the Trojans do have "good possibilities." The Blue and White will be represented by a team which is woefully lacking in depth, especially in the dash divisions. In the 440 are Ray Peterson and Bob Green, while in the 880 Bill Moehlig and Frank Kasher carry the colors. In the shot put Don Zeldenrust, Vic Carlson, Ralph Marchio and Don Hagemaster toss the twelve pound weight. Captain Ron Schilling and Hyman Spann broad jump, but Bill Cooney is the team's lone high jumper. In the pole vault Al Persiani is capable of "rising to the occasion."

RIGHT: Ron Schilling hands the baton to Ron Leoni.



FAR RIGHT: Ron Leoni, State champion in the high hurdles, clears a barrier.

In the obstacle sprints the Trojans are perhaps stronger than anywhere else. In the highs Skip Motlong, Bill Cooney, and Tom Kees hold forth. In the lows Motlong is again the man to beat. Jim Curcio was also drafted from the Frosh-Soph division to run the low hurdles. Dashmen are Ron Schilling, Jim Edwards and Art Lang, while the milers are Larry Spam and Dick Dudley. The relay teams are strained for personnel with Cooney, Edwards, Green and Schilling running the 880 relay and Kees, Moehlig, Peterson and Motlong forming the mile relay squad.

*Front Row:* J. King, W. Moehlig, R. Peterson, S. Paul, A. Persiani, B. Motlong, J. Browning, R. Leoni, W. Branch, F. Farber, H. Bastle, E. Metke, R. Schilling, L. Foston. *Back Row:* C. "Nothing succeeds like success," says the axiom. The truth of this was attested by the 1953 track squad. Coach Ralph Steben's syncopated cindermen certainly let no vegetation mature under their feet, easily winning all five dual meets, copping one triangular affair, and finishing second in another.

One-tenth of a second cost the Trojans an unblemished seasonal record when our mile relay team lost to the LaGrange quartet by that fraction. This victory decided the meet in favor of Lyons 58½ to Bloom's 55½ and Joliet's 34.

The Trojans won their District title and placed eighth in State competition at Champaign. The 1953 contingent had a mob of returning lettermen, among them "Rocket Ron" Leoni, who was once again the high scorer with 221 tallies. An improved Joe Browning was another persistent scorer with 128 markers.

This year's returnees include Bruce Motlong, runner up to Leoni most of last year, Captain Ron Schilling, Al Persiani, Bill Moehlig, Ray Peterson, Bill Cooney, and Tom Kees.

Our 1953 Frosh-Soph Cindermen, the South Suburban champs, won three dual meets, lost one, and broke even in two triangular meets. Our "Bantam Bloomites" opened the season at LaGrange and found them a little too much to handle, finishing second in a triangular meet including Blue Island. In our next three meets the Tiny Trojans downed Joliet, Thornton Fractional, and Kankakee in that order. Then Ralph Steben's boys hosted Thornton and were defeated despite first place performances by LeRoy Fehr, Ralph Marchio, Jack Adams, Joe Glass, and Larry Spann.

In South Suburban league competition at Thornton Fractional the team's top five, Fehr, Marchio, Adams, Glass, and Spann, again copped their respective events, but this time the rest of the team came through with fine performances and triumphed over second place Thornton by 20 points.

Credit for a season of fine work goes to freshmen Larry Spann, Tony Bartolini, Nick Thomas, Frank Carra, and Eddie Cialkowski. Sophomores who should bolster Coach Ralph Steben's 1954 varsity team are Ralph Marchio, Jim Curcio, Al Persiani, and Victor Carlson.

## Pin-Pointers

This year's Bowling Club was the "best ever," according to sponsor Mr. Walter Kuras. Emblems were awarded all of the 45 members, and a glittering total of 12 trophies was given out.

The loot went to: Jack Wood, high game, 220; Bill Costabile, high series, 569; Nick Ranieri, high average, 161.

A photo finish saw the King Louies (Vincent Sassano, Bob Ciarrocchi, Marvin Troester, Nick Ranieri) cop the championship from the Four Aces (Warren Lange, Hank Durbin, Denny Thomason, Bob Novoryta) by the hairbreadth margin of one game. In a special tournament at the season's end, Ranieri recorded a 267 effort.

# Girls' Sports

Sports take the spotlight at a more feminine pace every period of the day in the girls' gym. Channeling the enthusiasm of the gals into skill-building routines, Miss Liela Veazey, department chairman, Mrs. Louise Schultz, and Miss Helen Becker employed their understanding of girls' sports in these classes.

With the proper equipment and facilities the girls at Bloom are able to attain a wide-range program of both indoor and outdoor sports activities. These activities are divided according to the grade level and physical fitness of the students into groups, each having its respective teacher to instill co-operation and teamwork on the gym floor.

# G.A.A. Board

Activities and fun began for us sportsminded gals at Bloom as we launched into space at our first playday tagged "Out of This World." Changing the atmosphere for the Christmas season, we held our annual Yuletide shindig, which was highlighted by the purchase of our traditional library Christmas tree. The membership drive and candy sales led the pace in fund-raising projects.

"Efficiency" was the aim of our worthy leaders: Nancy Killmer, prexy; Roberta Tewes, veep; Judy Drues, secretary; and Barbara Golletz, treasurer. Spurring us on to a year packed with sports and fun were Mrs. Louise Schultz, Miss Helen Becker, and Miss Liela Veazey. The class representatives comprising the rest of the G.A.A. Board were Theresa Bellamy and Rosalie Mikol, seniors; Mary Ann Johnson, junior; Carol Strandberg, sophomore; and Sue Wilson and Annabelle Schoof, freshmen.

The G.A.A. Board demonstrated the importance of teamwork in planning, for it organized our many activities, including volleyball, basketball, and ping-pong tournaments.

# *Senior G.A.A.*

Literally "painting the gym red" as a token of our last fling at Bloom, we seniors took over the girls' gym every Wednesday. The year started out with a "zoom," as the volleyballs whizzed through the air. Archery also played a big part in our autumn activities.

Skills and rules were pounded into our heads, while preparations were being made for an outstanding basketball season . . . closely following the restricting girls' rules. Birdies began to fly as spring descended upon us, and the badminton tournament became of major importance.

What would we have done without the smiling face of Miss Helen Becker to greet us when we innocently remarked, "I had to go home right after school last night;" "I had to make up a timing after school;" or "There was no football practice, and that was the only time Junior and I could walk home together?" You must agree these were good excuses for not being at G.A.A.

June is here, and we find that a few of our G.A.A. dynamos have received the coveted "B's".

# Junior G.A.A.

"All right, Juniors! Get in line and start counting off to 8."

"1...2...3...4...," came our chanting cries as we divided ourselves into squads for our volleyball tournaments.

Tuesday was our night for spiking volleyballs, sharply pivoting to send the basketball soaring through the air in search of the basket, and smacking the birdie across the badminton net for a love-love score.

Having survived two years of volleyball, basketball, and badminton skills, we started this junior year with a new vigor to show off our accumulation of sports knowledge gained in our freshman and sophomore days and to advance in our training for co-operation and teamwork on the gym floor as well as in the class room. Mrs. Louise Schultz, always on hand to help us and guide us, was our sponsor.

. . . Sophs are on the floor . . . it's Monday night, 3:30 P.M. . . . we gals as members of the Sophomore G.A.A. are practicing up on our volleyball set-ups . . . others are spending their time in glorious and idle gossip . . .

There's a glimpse of the Sophomore G.A.A. for you, as we soph-sportshots saw it through the year. But, along with volleyball, we attempted training ourselves to be consistent in making baskets during the popular basketball season and in swatting birdies over the net during our badminton season.

Miss Helen Becker, our sponsor, backed up our training with one hundred per cent efficiency and understanding.

# Freshman G.A.A.

"Jeepers, I'll never learn all these rules!" This is the usual remark we freshies have uttered, some in silence, every Thursday after school. True, we enter Bloom as total strangers to such monsters as volleyball, basketball, and—what's that called? Oh, yes . . . badminton. Maybe, in time, we can hope to be as good as the seniors. But, gee, that seems impossible!

No longer can we say that, for in a few short days we shall be "supreme sophs." After a year of drilling, surely we all can now be classed as experts. All except me, that is! "I know I'll just never learn all these rules!"

*Front Row:* R. Napoleon, J. Peterson, S. Phelps, R. Epting, M. Klein, L. Barnes, E. McAllister. *Second Row:* B. Brown, C. Russo, G. Ruhe, A. Schoof, R. Kudlaty, A. D'Andrea, L. Meyer, C. # Cheerleaders

"Stay in formation, now, and let's get some pep into this cheer!" urged Mrs. Louise Schultz, as she put us through our paces. At times things got awfully trying, but in the end it was well worth the hours of practice and of making up new cheers.

The real thrills came at the games when our captain, Rose Cosenza, and the whole squad had the privilege of leading the student body in backing our teams. And believe us, there's nothing like cheering to bring home the bacon in football, basketball, or whatever. There was a lot of fun, too, especially in meeting our opposing cheerleaders.

No one will forget when Sylvia Stosor took a spill at the Leyden football field, but the excitement and enthusiasm of the crowd soon got us back in shape.

"We want a touchdown—we want a touchdown!"

Flora Brands and Mitzi Fazzini wind up for the kill!

Susie Baker—a picture of Roman grace.

Bloom's female firing squad.

## Badminton

Experts? Well, we're supposed to be, at least here at Bloom. With Miss Liela Veazey as our "get-up-and-go," we successfully gained skill in badminton. "What skill?" you say. You'd be surprised at the precision and coordination that badminton demands. And that's a fact, too!

## Archery

"Raise your bow . . . aim with the gold . . . shoot and hold . . . 1, 2, 3. That's all there is to it," said Miss Liela Veazey. Yes, she was right, for we girls on the archery team spent hours and weeks preparing for the State tournament. As we beamed with pride at the sight of that glorious trophy, our many thanks went to Miss Veazey for her diligence and encouragement.

# Bowling

"Whoopee! A strike!" In a bowler's life there're gutter balls, those that gently weave down the alley, and those that result in a once-in-a-lifetime strike. Of course, that's not speaking for the club as a whole . . . only for us poor unfortunates who can barely lift the ball. Some of us did pretty well, though, when it came to individual and team averages.

This year we got a rather late start, but maybe it was for the best. Because of such enthusiasm among the senior gals, our wonderful tutor, Miss Liela Veazey, had to divide the club into two parts . . . the "3:45" and the "4:45." We marched through the school year with every Tuesday our "sink-or-swim" day, for we were striving for the thrill of a "Sti-rike!" Some of us still are.

## Basketroom Girls

Their merits may not be generally known, but certainly the girls who forfeit a study period to help in checking baskets during our gym periods deserve the gratitude of all us gals who rely on them. Our human safe deposit boxes, these girls check over all our valuables, too.

## Class Helpers

"Side out!" These are the cries we diligently screamed to the puzzled freshies . . . and sophomores, too. It was our job to referee games and try to teach some principal rules for sports. How good a job we did will be determined next year!

*Front Row:* J. Agress, F. Brands, J. Ickes, D. Scheidel. *Back Row:* A. Rotondi, R. Cosenza, A. Sowinski, J. Sylvester, F. Schumacher, B. Krencik.

# Activities in review

Our high school has developed, over the years, into more than just a place in which one accumulates knowledge. We now have student government, athletics, and such a great variety of extra-curricular organizations that everyone is able to find something here besides schoolwork that he enjoys.

*Front Row:* M. Swanson, K. Swanson, W. Dewey, R. Peterson, A. Gunn, R. Galiene. *Back Row:* Mr. Smith, Mr. Feldvebel, Dr. Metcalf, Mr. Odegard, Miss Fernald, Miss Oxborrow, Mr. Briggs.

## Executive Council

Our function is much the same as that of the judicial department of the federal government; we take over when a dispute arises in the Student Council—Bloom's Congress—and decide what, constitutionally, can be done. However, we can do what the Supreme Court would never consider, for we have the power to initiate bills of our own.

All kinds of things originate with us: dances, welfare drives, and assemblies. Along this line is the annual Student-Faculty "basketball game"; you know, that's the game between all those old timers and the most athletic seniors available. Besides this, the Mayor presides over the Student Council and the Commissioner of Public Improvements commands the hall and traffic guides. These are just a few of our many duties.

## Executive Officers

*Front Row:* M. Swanson, mayor; K. Swanson, clerk; A. Gunn, commissioner of welfare. *Back Row:* R. Peterson, commissioner of finance; W. Dewey, commissioner of public improvement; R. Galiene, commissioner of social activities.

# Student Council

The Student Council, or the Congress of our school, strives to consider justly all the views and needs of its citizens. We hold sessions every other Thursday morning. As of now we haven't had any filibusters, but who knows what the future holds in store for us? Our task, we admit, is not an easy one, but—nevertheless— we try diligently to make our government one by the people, of the people, and for the people.

# National Honor Society

"I pledge myself" . . . we began, as our initiation into the National Honor Society commenced. Sixty of us were installed this year, and—with the twenty-five who made it last year as juniors—we pushed the total membership up to eighty-five. Those of us who were elected as juniors had to have a 3.5 grade average; seniors, on the other hand, needed a 3 point average.

*Front Row:* C. Porto, G. Hineline, H. Swanson, B. Banis, M. Klawitter, A. Mascitti, J. LaMorticella, M. Bennett. *Second Row:* R. Kohl, J. Fincher, M. Surian, R. Dudley, W. Bodman, R. Doepp, B. # Annual Staff

We're responsible for the book you're reading now. Most of it was put together during the eighth period each day, but plenty of work was done during the ninth and tenth periods, too! Many hours were spent trying to dig up ideas to delight and baffle the casual readers; endless lists of names—checked to keep our idents as accurate as possible—drove us cross-eyed; cropping photos while attempting to keep their constituents whole caused much grief to several editors.

You yourself probably suffered a little to put out this annual—especially the boys who were forced to live through at least five torturous minutes in a tie!

*Front Row:* A. Weber, M. DeLuca, C. Bell, T. Helmrath, J. Curcio, R. Kohl. *Back Row:* R. Cox, H. Townsend, Mr. Herr, Mr. Hamlin, M. Manson.

# Broadcaster Staff

Presiding over the Illinois State High School Press Association convention will be an honorary "extra-curricular" activity of next year's Broadcaster staff. Regular staff work goes on as usual, though. Every seventh hour we work our erasers to the bone perfecting stories and struggling to squeeze or stretch our copy into our respective pages. Ads, heads—titles to the novice— and, most of all, deadlines, add to our headaches, but somehow, we always seem to get the paper out on time.

*Front Row:* J. Frazier, M. Madura, A. Smith, A. Mascitti, C. Corsino, C. Gaudio, H. Lange, R. Cox. *Second Row:* M. Sebastian, C. Mark, N. Killmer, K. Hoppel, J. Jensen, G. Koenig, A. Ollendorf, B. Rosen, L. Brillant, D. Wheeler. *Back Row:* H. Carter, R. Kohl, D. Kraemer.

A dual status is required for membership in Quill and Scroll. Those of us who are members of this international honorary journalistic society must have been in the upper third of either the junior or senior class and must have done superior work on the annual, The Broadcaster, or The Tower.

We on the Tower Staff put into one handy volume all the outstanding pieces of literature produced in the line of duty by students preparing English assignments. Sometimes there are so many literary triumphs written we have to publish a supplement.

# Girls League

The Girls League, the all-school organization for girls, is one of the busiest groups at Bloom. Along with trying to keep alive the fine spirit between the students and faculty, we strive to make our school one of the best.

Those senior girls who are Big Sisters have been doing their part by helping the freshmen with their activities. The Mother-Daughter Banquet, the spring tea, Freshmen Frolic, and decoration of the Christmas tree are some of our annual projects.

## Campus Corps

We make up one of the most "exclusive" organizations in school: the Campus Corps—there are only four of us! Our main, in fact, our only duty is to be the traffic guides and hall guides of the cafeteria—to keep you walking and to keep you from throwing.

Those of us who want to help out at football and basketball games by ushering, taking tickets, and passing out programs join the Managers Club. When the Daily News Relays roll around each year, we managers who have good attendance records are rewarded with a trip to this event.

## Traffic Guides

Don't get on the wrong side of us because we don't like to be double-crossed. Our primary job is apprehending "hit-and run drivers" and "hot-rodders." On top of this we not only direct the smooth flow of traffic but also give itinerary information to bewildered Bloomites.

If our brother service promotes traffic, certainly it may be said of us that we retard it, for we're the kids who are stationed in the halls during classes. Meandering students are our lawful prey. At midday we assist in checking out the hardy souls who go home for their lunches; all day long we're helping to keep the halls clean and quiet.

## Attendance and Office Monitors

We office and attendance monitors can be found either in the office or bustling down the halls delivering call slips and messages and picking up attendance cards. Although our routine may sound somewhat like a task, we find it quite interesting and a bit on the novel side.

## Hostesses

The hostesses stationed in front of the library are always ready with a friendly smile and eagerness to help. Yes, the young receptionists try to give the visitor a warm welcome and a pleasing impression of Bloom.

Most people don't know it, but there's a lot more to showing a movie than just flipping a switch. Our fledgling projectionists soon realize this, for besides running the projectors, we have a staff of secretaries that handle the red tape involved in finding and securing the movies, records, and tape recordings you seen and hear during a year.

## Library Girls

It is we library girls who help keep track of all the knowledge within the sliding glass doors. Our positions as young librarians also include checking on the presence and absence of our studious classmates. Finding outdated magazines for Reader's Guide folks also keeps us moving at a fast pace.

# Junior Romans

Veni, vedi, vici. That is the progressive motto of each Roma Parvian. We junior Romans hold quorums, have banquets, and really live it up in old Roman style! Only first year Latin students are eligible to partake in our gala affairs. Roto, the Roman checker game, informal skits, depicting life in ancient Rome, and discussions recalling these same customs are among our bi-monthly activities. Of course, the Christmas Language party and the Roman banquet are among our most anticipated events.

# *Spanish Club*

Twice a month we grab our serapes and sombreros and rush to 317 for another lively meeting of the Spanish Club. We all join in to help with our yearly assembly, and all of us enjoy the field trips, parties, special activities, and programs which we hold.

Everyone learns a lot about Spanish customs and traditions through these diversified activities. Every year we stage an assembly portraying many aspects of life in a Spanish-speaking country. When the all-language party rolls around each Christmas, we join the Latin Clubs and the French Club to put on this affair.

## French Club

Bonjour, comment allez-vous? That's the friendly greeting we get when we enter the doors of the French Club. In our meetings we stress a better understanding of French ways and customs besides, of course, having a swell time. At Christmas time along with the other language clubs we present a Foreign Language Christmas program.

## Romani Hodierni

We second and third year Latin students who want to find out more about Roman life and times belong to Romani Hodierni—or, in good old English, the Advanced Latin Club. Each year we have a get-together that we call the Roman Banquet during which the Age of Caesar lives again.

In chess, the male is still the most important, for the object of the game is to pin down the other fellow's king before he nails yours. Each of us knows this all too well, although some learned the game just this year while others are old hands at it.

## Math Club

Contraptions, gadgets, and ingenious devices were among the entries in our first annual projects contest. Each of them was supposed to illustrate some mathematical principle, however vague the connection. The victor received a book on—guess what—mathematics!

## Future Teachers

This year we raised money to sponsor an orphan in Europe. In March, the American Association of University Women gave a tea at which we discussed teaching. In recognition of National Education Week, we filled the showcase with educational equipment, old and new.

Pins and needles, besides being instruments of anxiety, are also implements of construction from our point of view. In case you're wondering, we're all members of the Future Homemakers of America, learning the techniques of the competent housewife.

# *Future Farmers of America*

In this age of the mechanical plowhorse, some phases of the modern agriculturist's tasks have been simplified, while others are somewhat more complicated. We future ruralites are in the process of learning about some of the various and sundry topics that come up in modern agriculture. Since all work and no play makes Herman a dull boy, this isn't all we do—not by any means. Each year, we go to a picnic with the F.H.A., and enter projects in any available sectional fair.

# *Drama Club*

"Curtain! curtain!" are the familiar words echoed by the dramatists. We players are learning the art of acting, production techniques, and professional tricks by giving informal plays. Even with our (deep) concern in the theatrical world, we still find plenty of time for merriment and festivity, for each year we engage in a trip to Chicago, and a pot luck and masquerade are among our annual projects.

## U.N. Club

The U. N. Club is not only an educational club but also a political one. Many times we have debates, panel discussions, and movies. Among our many activities we sponsor U.N. Week. This year, Dr. Bradley came and spoke. A better understanding of the United Nations and of world affairs is our aim.

*Front Row:* B. Brackman, N. Schranz, treasurer; A. Wilson, vice-president; S. Smith, president. *Back Row:* J. Jacobucci, C. Goldschnikl, J. Rogers, secretary; R. Guzik.

## Audubon Club

Don't be surprised if some spring day you see a group of aspiring biologists hiking through the woods. It's not only that it's spring, but it's that we of the Audubon Club are holding one of our sessions outdoors. Insects, birds, and plants all come under our scrutiny. We junior naturalists combine fun with learning at our meetings. We provide our own programs, each sharing in experiences with the group.

## Junior Red Cross

The Junior Red Cross is an organization modeled after the well-known and useful Red Cross of America. We confess that we don't do exactly everything that they do—including taking blood—and all, but we do try to make people happy with our work and contributions. Some of these are making trinkets, crocheting and knitting articles of clothing and sending food packets to war-torn countries.

## Radio Club

Our members are all hams, but this is not the Drama Club; radio is our business. All of us have passed a five-word-per-minute code test, and some of our members are novice radio operators. We have weekly meetings during which we learn the sacred principles of radio.

## Photo Club

Some of the pictures in your annual were taken by us. We have a darkroom where many of the photos entered in our several yearly contests are developed and printed. Meetings involve learning the how's and why's of photography, conducting business, and enjoying life at the parties and picnics held during the year.

# *Band*

The Band plays quite a large part not only in the music realm but also in the athletic world. We folks play for every football and basketball game, besides marching on the field and playing marches for the majorettes and flag twirlers. We also liven up the pep assemblies with our playing. Our list of programs includes the Christmas Vesper program, Spring Concert, Baccalaureate, Graduation and assemblies.

Orchestra is one of the major music groups in the large Music department at Bloom. We members are setting a new pace this year with tryouts every two weeks. When December rolls around, we begin our series of concerts. First is the Christmas Vesper program, then the Spring Concert, and finally Baccalaureate and Commencement. Sprinkled in with the major programs are assemblies, teachers' meetings, and the Senior Class Play.

## Majorettes

A roll of drums and the spectators at sporting events, pep assemblies, and band concerts turn their heads with expectant looks as the corps of majorettes, in blue and white, struts in, holding formation, twirling batons, and executing fancy footwork. All is not a bed of roses, however, for long hours of practice are needed to perfect the routines that you see performed.

The Girls Choir is the last step before the a Cappella version. Being more advanced than the Girls Glee Club, we have quite a few programs to sing annually. Like most music groups, we meet every day for practice and improvement, for practice makes perfect you know.

# A Capella Choir

To be a member of the a Cappella Choir is the highest BTHS achievement in the vocal realm. We folks who joyfully blend our voices in harmony were once members of the Girls Glee Club, the Boys Glee Club, or Girls Choir. Each year along with the orchestra and band we present a Christmas Vesper program and a Spring Concert. Many times we have special engagements such as P.T.A. programs, Lions, Kiwanis, and Rotary Club performances, plus the Rural-Urban Banquet. At the end of the school year, Baccalaureate and Commencement are our last singing engagements.

Out of uniform.

## Boys Glee Club

Some folks think we fellows don't like to sing. How silly! Of course, we like to sing. Our Boys Glee Club is proof of that. In it, we try our hand at all types of music—classical, popular, and Negro spirituals. The Spring Concert and assemblies are among our accomplishments.

The Girls Glee Club is composed mostly of sophomore and junior girls who have graduated from the Freshman Chorus. We specialize in singing semi-classical and hit tunes. Some of us are trying for the Girls Choir or the a Cappella Choir. Our list of programs consists of the Spring Concert, Christmas program, and assemblies.

## *Freshman Chorus*

The Freshman Chorus is probably one of the few groups which offers (a little) theory to its members. Because we are such a large group, we are divided into sections which meet different periods of the day. Our chorus is mainly a learning one. That is evident when we say that our only program is the Spring Concert. We hope that someday our learning and practicing will carry us into the a Capella Choir.

## Freshman Chorus

## Beginning Instrumental

We young musicians have only a short way to go before we are playing progressionally with the Band and Orchestra. We have one advantage, however, for both string and brass instruments are together at every session. Music is our aim, and we're coming closer every day.

*Front Row:* E. Leone, J. Melone, A. McClendon, J. Warnell, B. Miller, C. Dillard, J. Walker.

## Sharp Tacs

If you think that lunch is of value only for disposing of provisions, you are due for a surprise. Twice a month we junior and senior girls who call ourselves Sharp Tacs spend our chow hours digesting information and opinions on various and sundry topics, discussed—between bites—at one of sixteen gab fests.

Have you seen a body lately? If not, proceed to the nearest morgue—located in Old Bloom—where we, a very active body indeed, operate regularly in a far from dead manner. In fact, everything that goes on in the Morgue originates with us, giving us plenty to do.

## Morgue Board

# The top brass

Much of our success as students at Bloom
Is achieved through understanding and cooperation
With the faculty. Giving daily the necessary
Patience and encouragement and providing
Guidance through personal counseling,
The teachers look ahead as they take a leading
Role in our preparations for the future.

Dr. Paul Ashley, Mr. Emmett Richards, secretary; Mr. Walter Platenka, Mr. Harry Lange, president; Mr. Paul Keen.

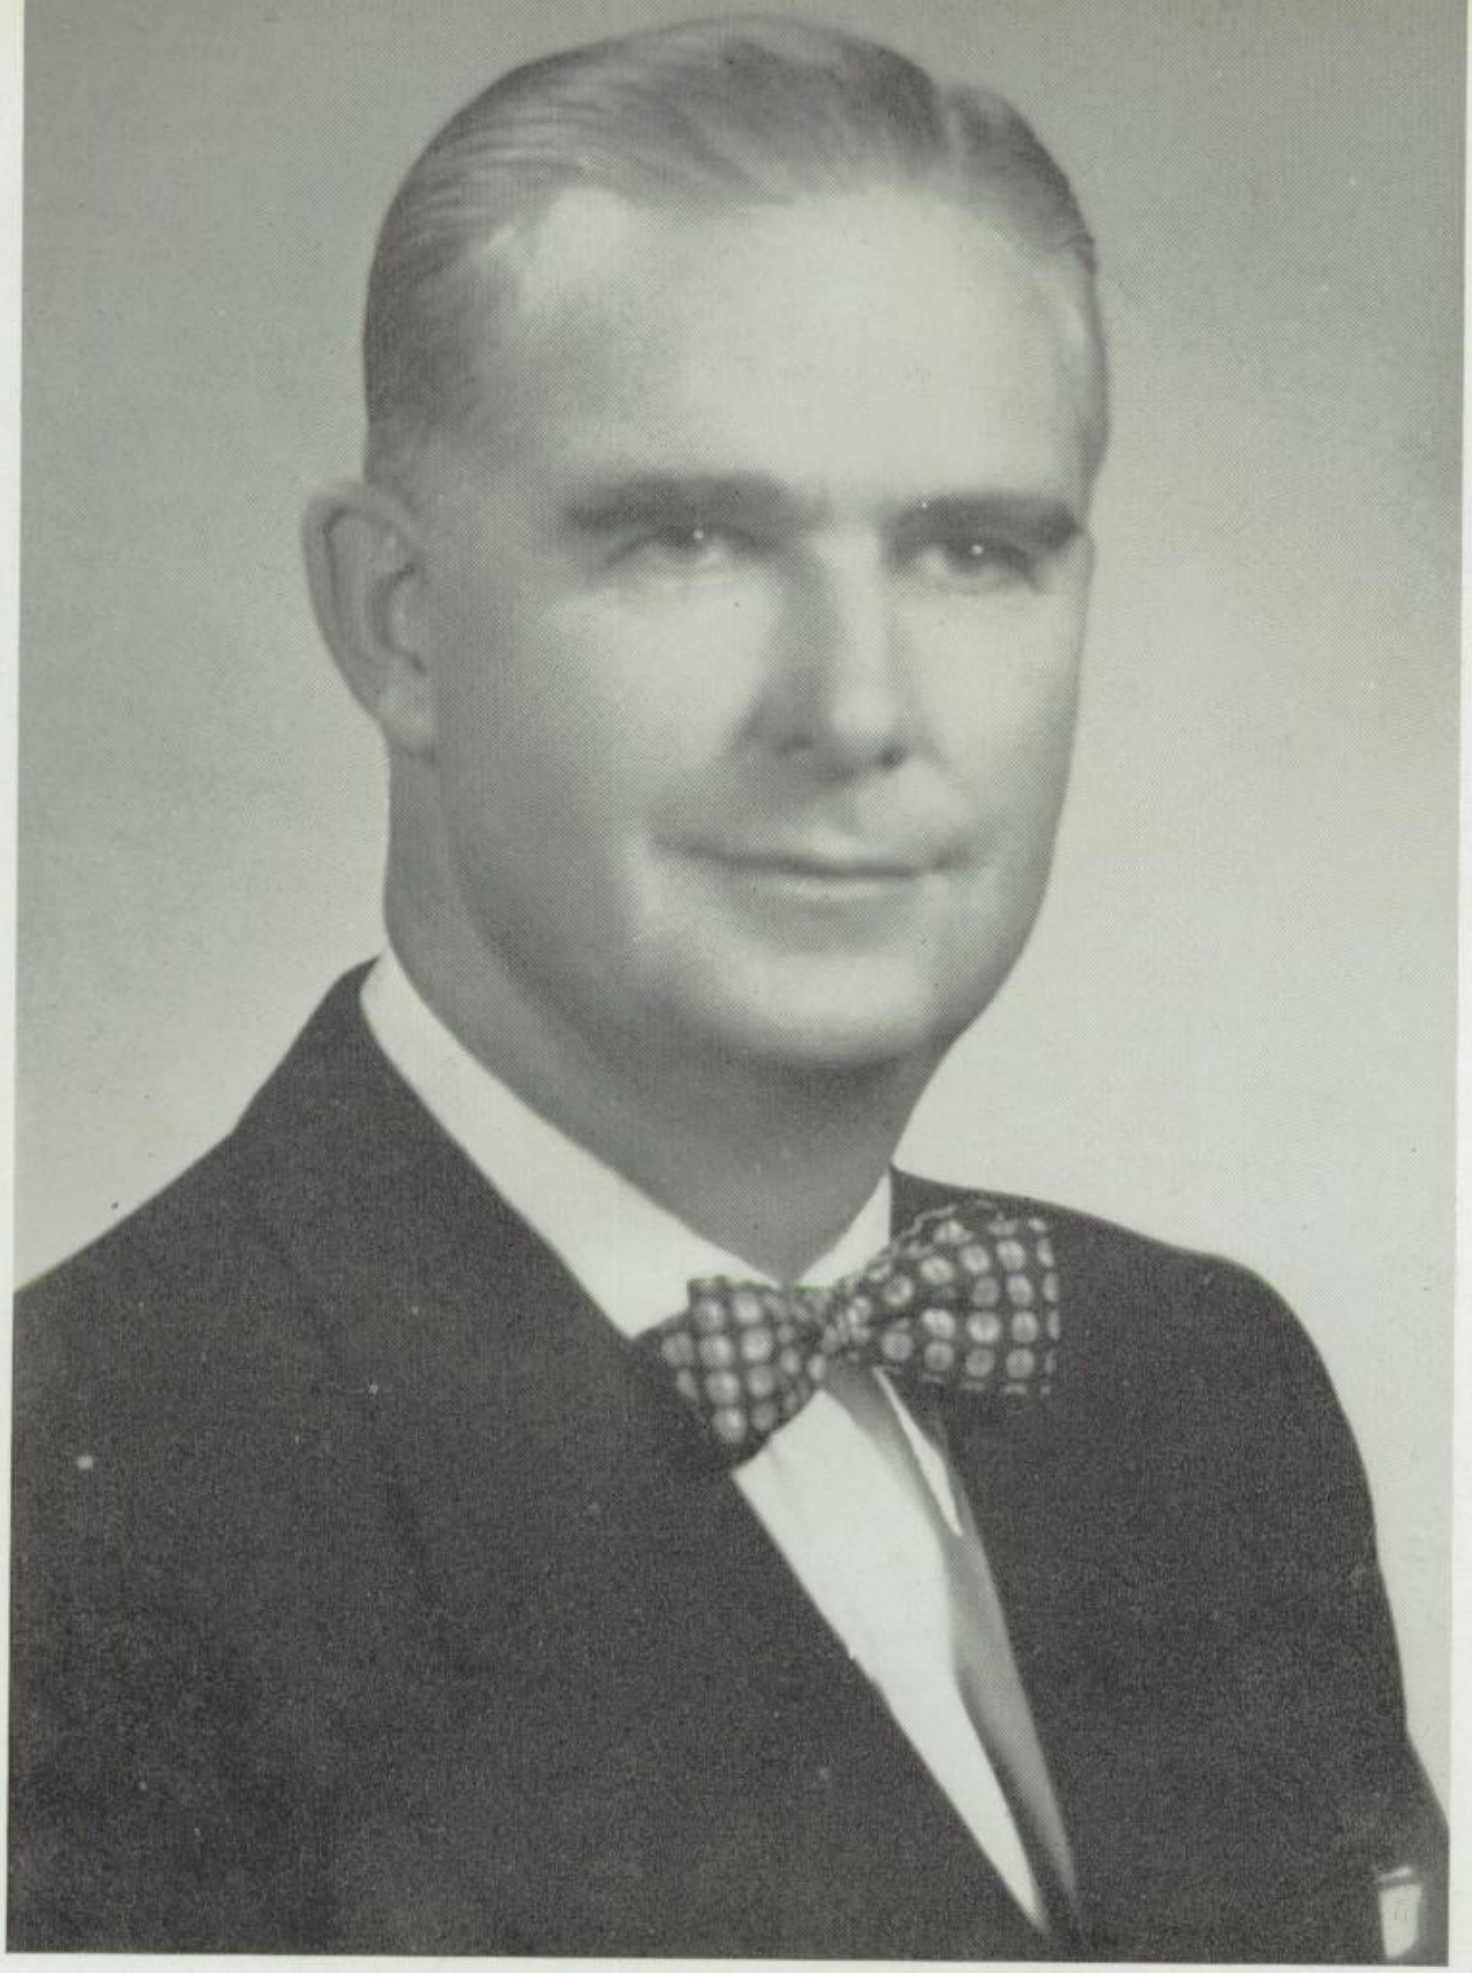
## School Board

The major project facing our Board of Education this year was the expansion of the building program. The most recent addition to our campus is the new Industrial Education shop. The board, with Mr. Harry Lange as president, devotes much time and effort to the improvement of our school.

## P. T. A.

Working to bring about a closer relationship and a better understanding between parents and teachers is the Parent-Teacher Association. It plays an important part in our school program.

*Rront Row:* Mrs. Edmund Jaracz, president; Mrs. Howard Cisne, secretary; Mrs. Robert Cordes, vice-president. *Back Row:* Dr. Harold H. Metcalf, second vice-president; Mrs. John Jarvis, treasurer.



# Dr. Harold H. Metcalf

Standing wholeheartedly behind us in our school activities is our superintendent, Dr. Harold H. Metcalf. He takes a special interest in student problems and goes out of his way to help. He has done much this year to instill in us a greater pride in our school and athletic teams.

During his seven years here a great many changes have taken place. The faculty, which was comprised of 60 teachers in 1948, now numbers 86. The new Industrial Educational building and many new classrooms have been added to the school, and plans are underway for further improvements.

All these things have endeared Dr. Metcalf to all the students.

# Board of Directors

MR. ALFRED ODEGARD

Mr. Alfred Odegard, business manager and assistant superintendent, has the responsibility of buying our school equipment, preparing our budget, and seeing that our school elections and bus systems run smoothly.

The records we make in studies and activities are kept by Miss Hildur Soderman, registrar. For those of us who go to college, she sends out transcripts of credits.

Our counseling staff, with the addition this year of Miss Marjorie Oxborrow and Mr. George Gilluly, guides us through our years at Bloom. They are always here to help us with problems that arise. The junior-senior counselors also aid seniors in choosing a college or career.

MISS HILDUR SODERMAN

As usual, the faculty demonstrated its right to be rated top-notch for academic training, guidance in the classroom, and friendly understanding.

Some members attended conferences, others wrote articles for publication in professional magazines, and still others made talks or appeared on panels.

Some took classes on tours or to conventions or workshops, others sponsored clubs and extra-curricular organizations, and all worked hard to make the year vital and meaningful for Bloom students.

To prove they are human and like to have fun, too, they had several social gatherings during the year. These included the traditional fall picnic on the school lawn during the pre-school workshop, after-school teas at Halloween, Christmas, and Easter, and a play night in the gym.

Mr. John Johnsen

Although appreciation of the maintenance staff often goes unmentioned, they work on faithfully, managing the general up-keep of Bloom.

The cafeteria staff competently prepared the food for students and teachers every lunch period of the year.

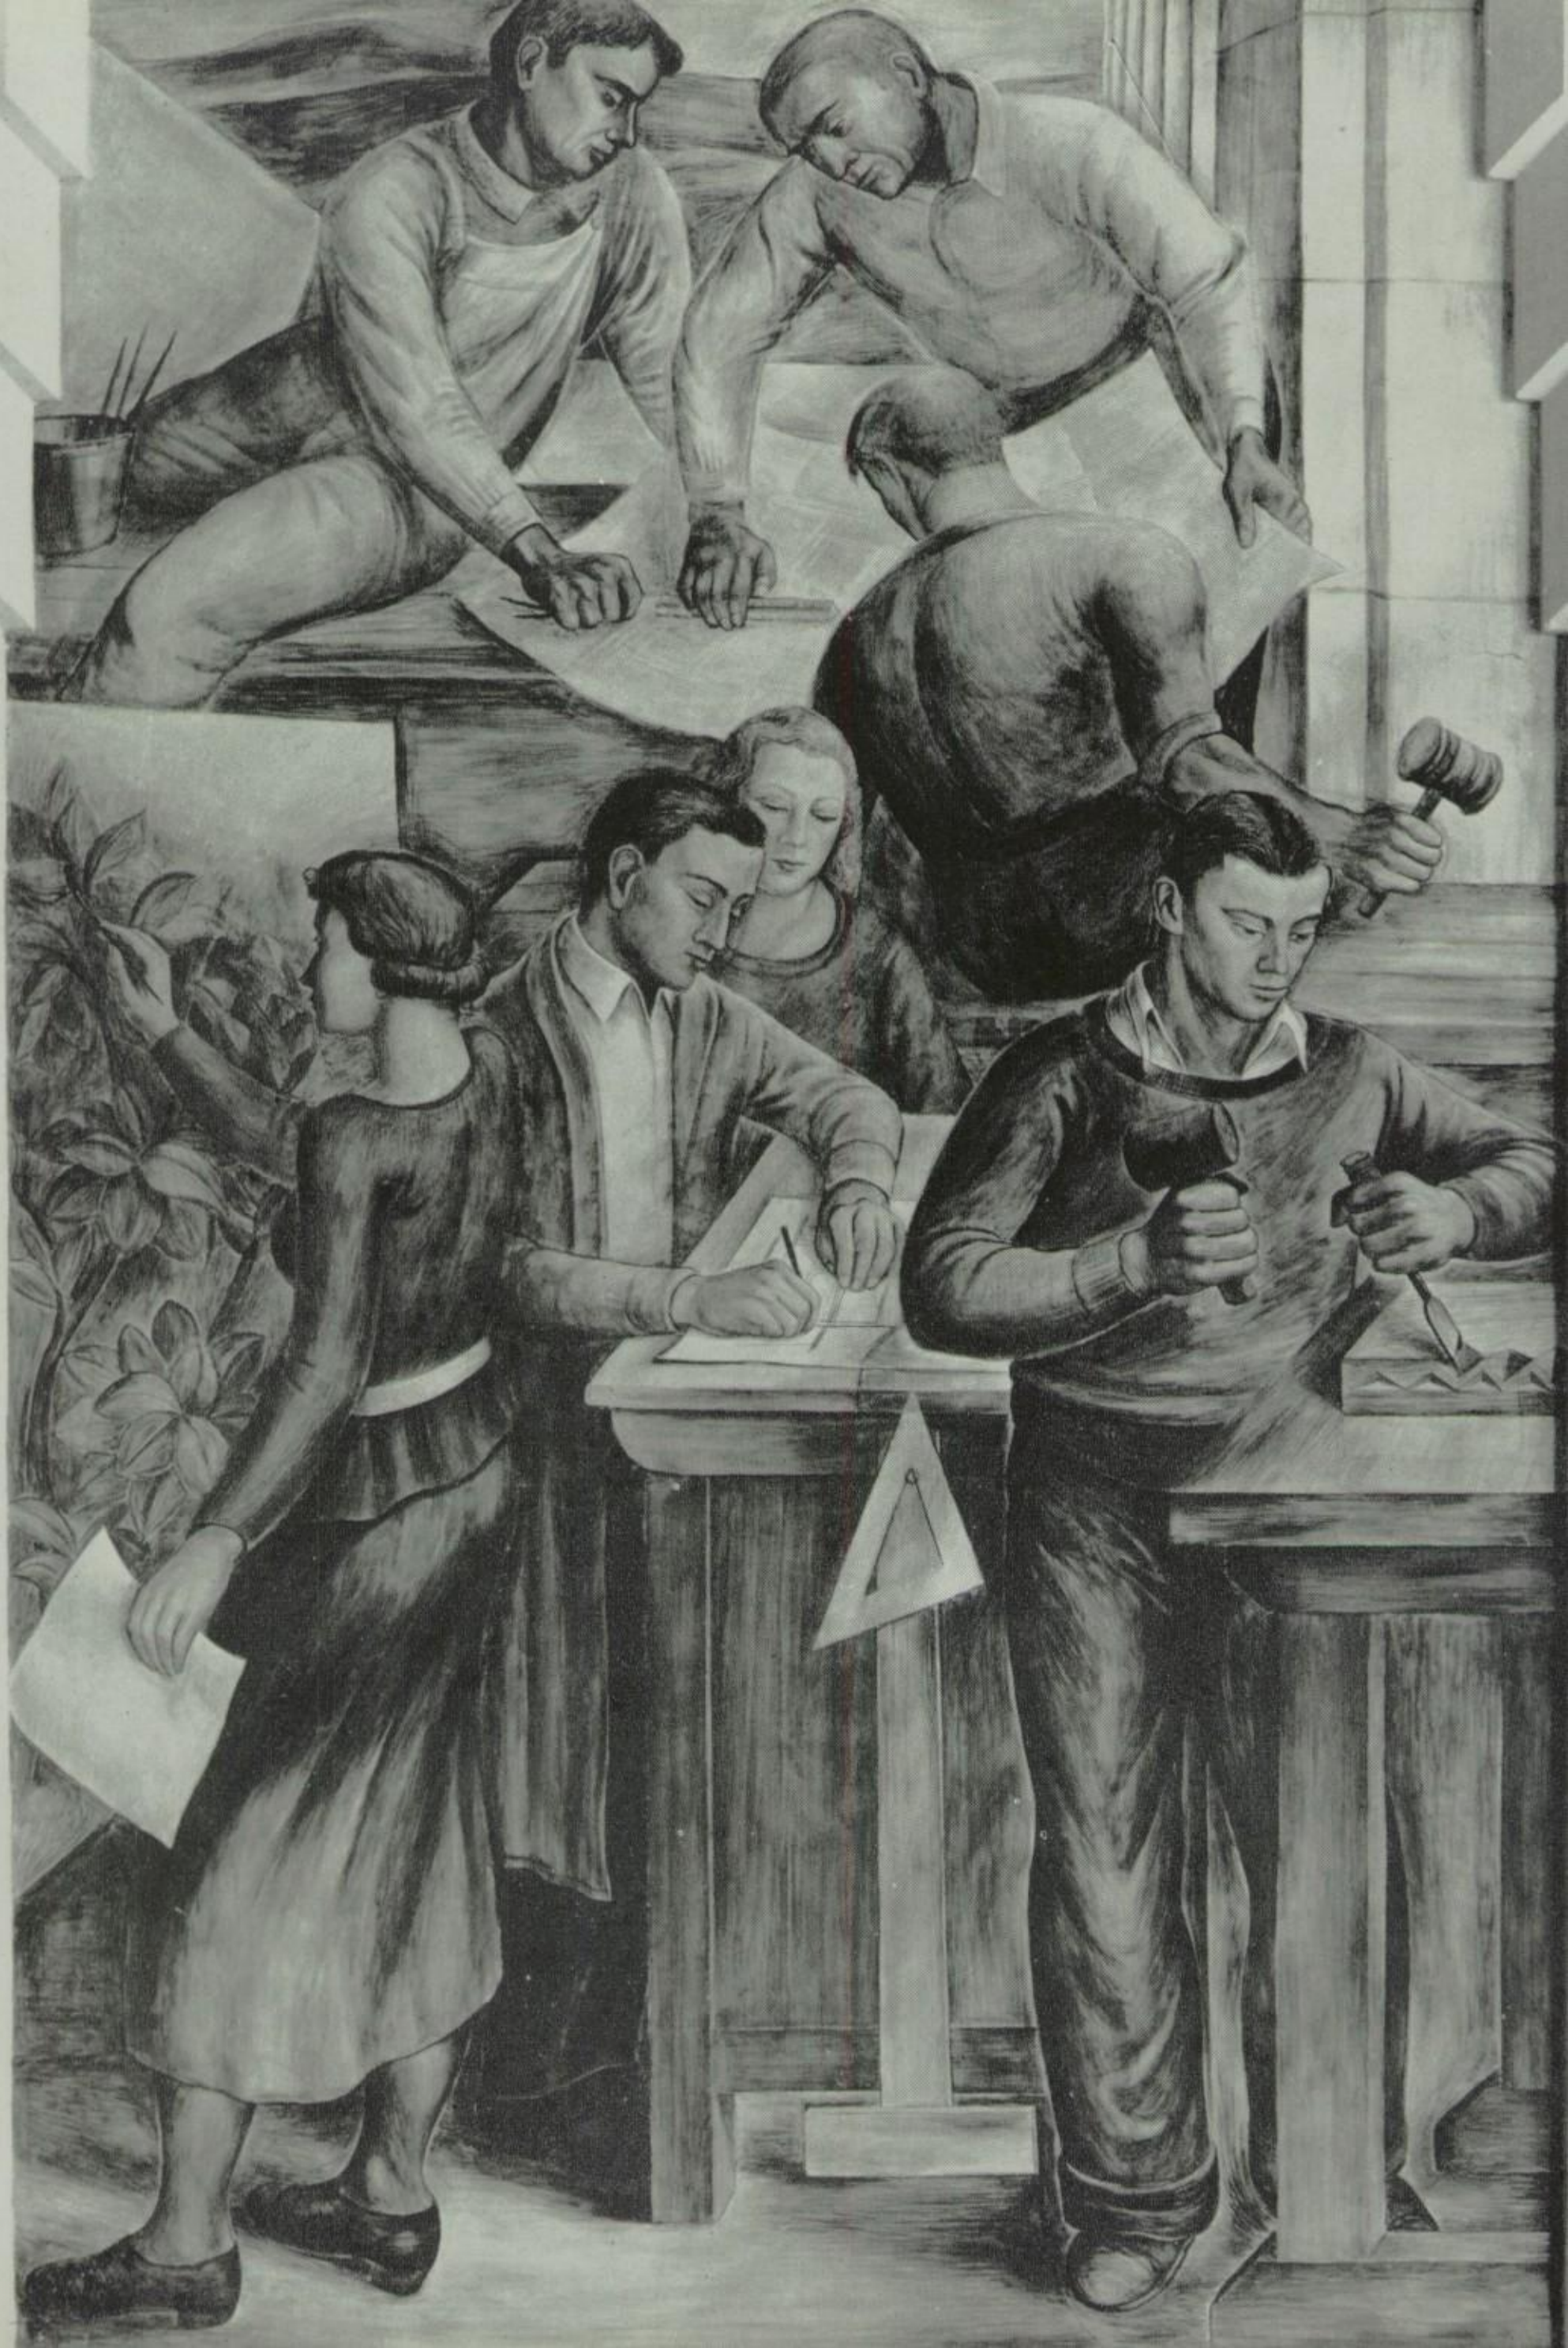
All the clerical tasks which must be done to keep our school routine running smoothly came under the responsibility of the office staff.

This year we pay special tribute to Mr. John Johnsen, superintendent of buildings and grounds. He returned after a serious illness to finish his twenty-third year of loyal service to Bloom.

Mrs. Tekla Tocco is seen chatting with Miss Betty House.

Miss E. Pearl Hess pours tea for Miss Joann Capesius, Mr. Robert Hippensteel, and Mr. Einar Cannelin at a faculty tea.

Mrs. Kenneth Sawyer presents a gift to Mr. Harvey Adair, while Mr. George Brooke looks on.



# Seniors' Last Lap

After four years of anticipation, trials and triumphs,
We seniors are taking another major step along
The coveted road to success. This step may be
Toward further schooling or to a permanent position
In the industrial world, but it will be taken
With the confidence gained from careful preparation
By those who invested heavily in our future.

*First Row:* Miss Ethel Mellinger, P. Halbert, J. LaMorticella.
*Second Row:* C. Mark, L. Sinopoli.

We have looked forward to this, our senior year, for a long time, and now it is over. It has been a wonderful year, full of work and fun. Many additions and changes have taken place. The welfare drives have topped any of previous years. Our Commissioner of Public Improvements initiated a Clean-up and Courtesy Week, which included a contest to find the cleanest floor and locker.

Buses were chartered to most of our out-of-town football and basketball games. In order to promote school spirit we organized a Pep Club, which sat in special sections of the bleachers to cheer our teams. Instead of wearing the customary gray, we are graduating in white caps and gowns. We are very proud of the "class of '54" and leave Bloom with mixed feelings.

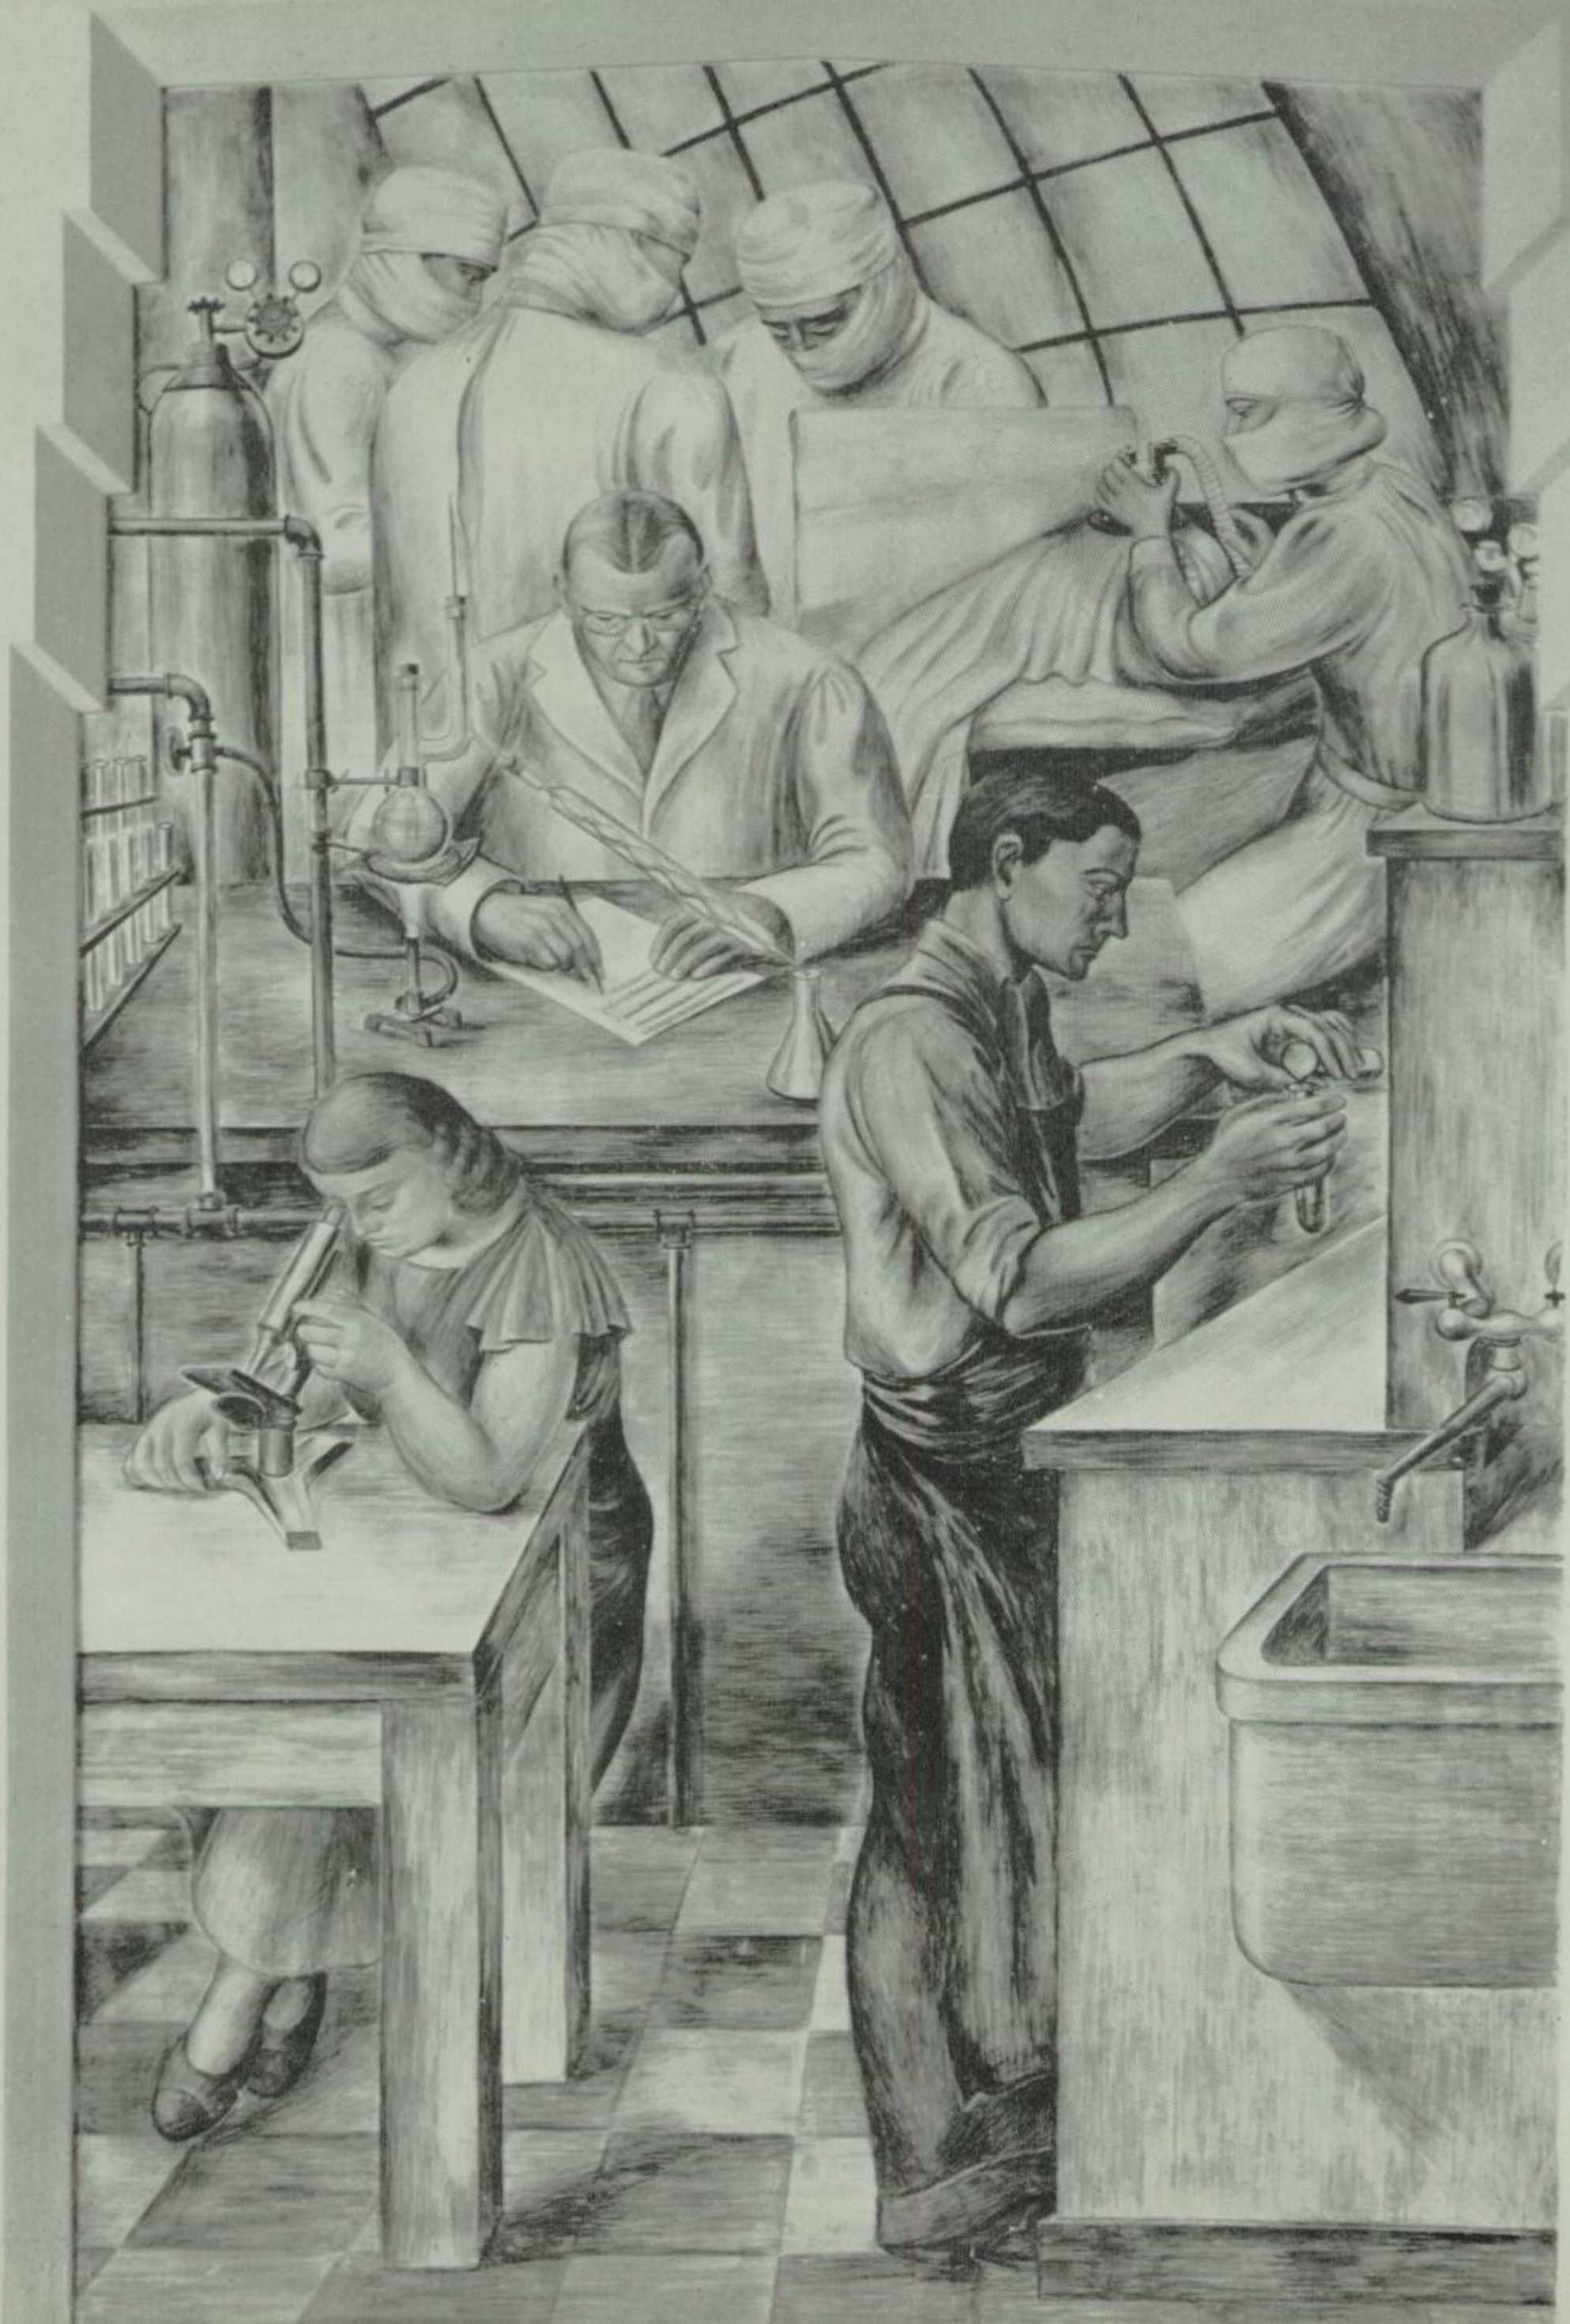
# Time Out For Fun

Thar' she blows!

The pause that refreshes.



# The Underclass Heirs

As heirs of the seniors, we underclassmen
strove diligently to prepare
for our future responsibilities. With
the help of our teachers and
the examples set by the seniors we
shall soon be capable of taking our
place as the officers and leaders of Bloom.

# Junior Board and Officers

We juniors revealed a talent for money-making this year, when the sale of cokes, candy, pencils, and football badges filled our treasury to the brim. Talent was shown again when many of our fellow classmates participated in the class assembly, "The Night Before Christmas."

We really filled each teacher and student of Bloom with Christmas spirit by our presentation of this assembly. The Penny Social, held March 9, was also successful. With the Junior Prom, held in the gym on May 28, we ended a busy, eventful year.

The class officers were Donald Perozzi, president; Mickey Sundstrom, vice-president; Gayle Yanson, secretary; and Fern Schumacher, treasurer.

# Sophomore Board and Officers

Being somewhat older and a little wiser, as sophomores we were more self-confident.

To test our newly acquired sophistication we held our annual mixer on September 24. Since this party was enjoyed by all, another was held during the second semester.

"Oh, how my arms ache," was one of of the many complaints at the Bloom-Thornton game. Our noses red and our fingers frozen, we tramped through the stands shouting "Hot coffee, and (of all things) ice cream bars!" Still, a profit of of $175 was enough consolation for any frozen sophomore.

Everyone had "butterflies" on March 26, the day of our class assembly. However, our interpretation of "This is Your Life" was very successful.

Decorating for Commencement ended a busy, happy year for us.

# Freshman Officers and Board

We freshies really showed those stuffy upperclassmen this year. Chuck-full of enthusiasm we soon learned the trick of going up an "Up" stairway and down a "Down" stairway. Learning to ignore the older Bloomites' wise-cracks and attempted pranks didn't take long, either.

Many of us participated in our class assembly, which was quite successful. In rooting for Bloom's football and basketball games our voices were as loud as any upperclassman's. The freshman treasury started jingling when the returns of our candy sales came in.

The election of officers proved exciting, and the victors were: Harry Osterman, president, Judy Leoni, vice-president; Sharon Galiene, treasurer; and Lynn Napoli, secretary.
